TASOS VASILEIOU

Master / Greek, age 36, speaks English & Greek

Captain Tasos, the guardian of the yacht, has prudently selected the outstanding team on board, all passionate with the yachting and life at sea. At all times motivates all crew members to accomplish services perfectly, yet quietly, providing a joyful atmosphere and memorable experience on board in highest standards.

Captain Tasos was born in a seafront town of Evia island from a tourism oriented family in luxury services. His youth by the sea and 5 star resorts had been fundamental to shape eventually a great personality, love for the sea and passion for the luxury yachting.

Graduated from the Marine Academy of Evia, counts an over fifteen year experience in the marine industry with ranging positions to Chief Officer in unlimited tonnage cruise ships of brand companies like Celebrity Cruises and Amazara Cruises. He attended several courses to shape a remarkable career resume, some in Miami Maritime Academy, to hold several international certificates including from USCG (United States Coast Guard). Some additional tasks to his position had been the crew training in regards to all safety issues and finally a severe implementation in project management of new deliveries at the shipyards.

Awarded progress until a new career in the luxury yachting, on Benetti 50m 'Africa', the Baglietto 44m 'Geosand', later on as Staff Captain on mega yacht Elegant 007 (ex RM Elegant) and now on board 'I Sea'. Cruising most of the seas around the world enjoys mostly the clarity of the Mediterranean with the blue safe waters. As a father of two children, Captain Tasos enjoys the yacht to be children-friendly and well equipped with water toys for the family pleasure. Charming, Active, kind, enthusiastic, governs great the crew and himself to feature a dazzling and hard -working team.

Father of two children, in free time enjoys family moments, traveling, learning all news in modern technology, enjoying good food, taking drone marine pictures. PADI holder enjoys opportunities for diving.

DIMITRIS ATHANASIOU

Chief Mate / Greek, age 31, speaks English & Greek

Chief Officer Dimitris was born in a seafront suburb of Athens from a marine oriented family. In early youth enjoyed swimming at the level of instructor and during summers as lifeguard whilst studying in Merchant Marine High School of Piraeus.

Dimitris graduated the Merchant Marine Academy of Mihanionas as Captain and served the Hellenic Navy as Petty Officer. Since 2000 he traveled extensively in all seas, on freight tankers to continue his career last years on board luxurious large yachts like Speedboat licensed, he has excellent navigation and administration skills to make a great team with Captain Tasos. Kind by nature, active, approachable, is a great asset on board. On board m/y I Sea preserves a greatly conditioned bridge, participates in navigation, crew training on board, water leisure and all procedures related to the documentary and certificates of the vessel. His hobbies are related to the sports life including Scuba Diving as is PADI holder, Jet skiing, Water Skiing, Cycling, Extreme Sports and Cooking. In his free time, he shares sports life with his wife and domestic peaceful moments. Father of two infants enjoys mostly domestic life.

ARIS GANOTOPOULOS

Chief Engineer / Greek, age 34, speaks English & Greek

Chief Engineer Aris is the secret hero of the yacht I Sea; the one who makes the inner working of the vessel, the unseen or unheard works, yet vital for the smooth operation of the vessel. Born from a seamen's family in Volos, conducted his talent and ingenious capacity in constructions, to the engineering.

Aris graduated from the Marine Academy Macedonia in Engineering holding the Merchant Marine Engineer's Degree. Immediately he was absorbed in shipping ranging swiftly and successfully positions to Chief Engineer on board cargo ships of high tonnage and shore projects from 2003 until 2016.

Workaholic, kind, quiet, has another passion, cooking and he is certainly an excellent cook in Mediterranean cuisine. In the wide platform of the yacht, Aris can certainly make for you a fresh cocktail when his priorities are over. On board I Sea is a great asset for the dynamic undertaking of the yacht, also a great colleague to the rest of the team during other deck or sports activities. Father of one child spends his free time with family, cooking, creating patented shore constructions, collecting documentaries on historical pioneer engineering in ships, fishing and yes hunting.

STERGIOS ELEFTHERIADIS

2nd Engineer / Greek, age 30, speaks English & Greek

Born in a beautiful northern port of Macedonia in Greece, Stergios is a talented engineer since his early youth. Graduated in 2008 from the Merchant Marine of Macedonia with Engineer's Degree holds a series of distinguished certificates in marine engineering. Swiftly absorbed by a well-established shipping company (Anangel Shipping) with a remarkable fleet of high tonnage cargo ships, he gathered experience and service in this fleet as 3rd Engineer. On board m/y I Sea matched immediately with the team, whilst has been working in the past together with Chief Engineer Aris, and appreciate each other's work.

Workaholic yet quiet, with a great smile on a tranquil face, has already contributed in winter maintenance of the yacht. Now, Stergios is eager to move on and assist in new modifications on the garage of the engine room, to offer more space in the heart of the vessel and all these amendments may improve the yacht even more. In his free time enjoys time with friends, boating, and movies time.

DIMITRIS GKALOUFAS

Bosun / Greek, age 38, speaks English & Greek

Dimitris was born in a seafront part of Evia island from a family holding tradition in seamanship. Certified able seaman he has a great background in unlimited tonnage commercial ships as deck hand. As Bosun in small ships was getting experience fast. Dimitris has completed all safety training, has speedboat license and can drive any motor power boat and vehicle. On board m/y I Sea he has an essential role on decks and cooperates perfectly with all divisions, principally with Chief Engineer Aris. Dimitris has awareness by nature and loves to care for the vessel and guests' entertainment during the water leisure. His long lasting bright smile is great for everyone on board together with willingness and initiatives to coordinate with the team in most works. Luxury yachting seems to fit perfectly to Dimitris as was born only for this.

Father of one child, in free time enjoys family moments, boating and he appreciates good food.

YIORGOS GIATRAS

A/B / Greek, age 26, speaks English & Greek

Yiorgos is a certified able seaman with a rich background in unlimited tonnage commercial ships and motor boats. Yiorgos has completed all safety training, has speedboat license and can drive any motor power boat and vehicle. On board m/y I Sea he has an essential role on decks and cooperates perfectly with all divisions, to make all guests enjoy the water leisure. Certified PADI water diver and great with all water toys, enjoys the nautical sessions in both professional and personal life.

INTERIOR TEAM

VASILIS ZAFEIROPOULOS

Executive Chef / Greek, age 37,
speaks English, Spanish, Italian & Greek

Executive Chef Vasilis is the quintessential member of the I Sea team. Born in Athens and oriented to a tourism family, appreciated young the fresh ingredients and culinary cuisine. Graduated the Chef & Pastry Art Academy of Anavyssos in Greece to pursue the passion for the excellence in tastes and rapidly rise in the industry, by working at every high standards facet of the Hospitality and Tourism.

Classy and experienced, Vasilis reflects intelligence in his cuisine, by his refined taste and marvelous dish presentation. His background in 4 and 5 star Resorts as a Sous Chef and Executive Chef made Vasilis favorite Chef of celebrities in Greece, by cooking at special occasions & events, in villas and mega yachts. Passionate with challenges in tastes, maintains this flavors to remind of 'home'.

Loyal and reliable enjoys his occupation on I Sea yacht since last year.

Supportive to the interior, is excellent administrator of the stewardesses to encourage swift service in a friendly yet professional environment. His specialties are rather customized to approach guests with dishes in new yet so intimate taste and inspire the interior team with his talent. With influence from trips around the world, Vasilis will prepare unique recipes from the utmost fresh food to decline any artificial touch.

PADI certified diver and great in all water sports, enjoys working by the sea. Whilst ashore, Vasilis shares life in balance, between home, as father of two children, and social life, as active member of 'Chef for Humanity' organization.

SARAH LOVEGROVE

British, age 20, speaks English

Sarah is an enthusiastic beautiful person, focused and conscientious with the passion of super yachts.

Supportive and friendly with a good sense of humor and eye for detail is a great team player, genuine and very easy-going to get along with. In excellent communication and interpersonal skills is the reliable Stewardess, hard working in all professional challenges. Certified STWC 95, has involved in fashion industry and trained as Bar Manager in Holy Cow and cook assistant. Trained in Soho standards has the confidence to jump in the luxury yachting to give a new turn to her career. Starting with the M/Y Vanlis and M/Y Laura, now is a perfect match with the I Sea team, is absolutely fine waitress to serve drinks, set the tables, make sure of great service during a culinary meal experience. In good coordination with the galley and two more stewardesses, proves a great team member on board.

JULIA STOROZHUK

Ukrainian, age 23, speaks English and Ukrainian

Julia is a highly trained stewardess with a nice background at a restaurant as waitress and on board mega yacht Alexander and M/Y Faribana. Duties have been on Housekeeping organization, extended to the organization of service. Featuring etiquette when serving, arranging all features of service at bar and later on moving onto service. On board I Sea, all crew members adore to privilege from Julia's service whilst preparing tables, serving meals, responding to guest requests. She is great in organization, tidying things up, setting tables, coordinating with the galley and a lot of more tasks. In coordination with other divisions principally with the galley, enjoys the outcome of a team work. A great asset in the team brings the spring with her warm smile.

OLGA BABII

Ukrainian, age 25, speaks English, Ukrainian and Russian

Olga comes from a seamen's oriented family and always loved the ocean. Trained by shore seminars in Hotel Management, followed her heart to work on board a cruise ship and a commercial passenger vessel. She gained the bet to finally prove a team worker, workaholic, to deal with different nationalities and easily make good relations with guests and crew as well. Quick learner, she was fascinated by the silver service, beautiful porcelains, the delicate and careful way to set up a table and serve guests graciously. She is now familiar with travelling in many places, carries her bright smile and enjoys care for guests on board. Matching perfectly with the team of m/y I Sea, will place flowers and chocolate in guest cabins, will prepare breakfast to serve coffee at the time guests open eyes and adjust sound of your favorite music. Victoria will do her best to make sensational stay of guests on board.
